Specialist Cleaning Services from Kitchen Deep Cleaning (UK) Ltd

FOLLOWING THE widening legislation to the Health & Safety and Food Hygiene Act, Kitchen Deep Cleaning (UK) Ltd launched a specialised deep cleaning and food service for maintaining commercial kitchens, canteens and food preparation areas.

Kitchen Deep Cleaning (UK) Ltd provide a quality hygiene programme 24 hours a day, 7 days a week, with services quality assessed at regular intervals and certified upon completion. Whether in a single or a national network of sites, Kitchen Deep Cleaning (UK) Ltd is fully committed to:

- Minimising the risk of prosecution by Environmental Health officials.

- Creating better working environments for all its clients.
- Reducing the risk of contamination by bacteria and pest infections within kitchens.
- Improving client image and staff motivation towards better hygiene management.

Kitchen Deep Cleaning (UK) Ltd services include:

- Kitchen Deep Cleaning • Extraction Cleaning • Ductwork Cleaning • Structural Cleaning • Greasy & Filter Cleaning • General Cleaning • Cooking Equipment
